
HLB INTERNATIONAL APPOINTS NEW MEMBER IN COSTA RICA

HLB International, one of the leading global accountancy networks with presence in 150 countries, continues its growth with the recent signing of a new member firm in Costa Rica, Grupo Camacho Internacional S. A. This is a major move and will have a big impact on the Central American market.

Grupo Camacho Internacional S. A. is based in San Jose, the capital city of Costa Rica. Established in 1988, the firm provides services in Transfer Pricing, International Tax, International Tax Restructuring and BEPS. The firm's Transfer Pricing expertise will be a strategic asset for the HLB network.

Carlos Camacho Cordoba, Managing Partner of Grupo Camacho Internacional S. A., commented: "With a strong focus on meeting the current and potential needs of our clients and a vision towards quality, innovation and achievement of added value for our clients, joining the HLB network will further enhance our client services. We very much look forward to working with HLB members globally."

Grupo Camacho Internacional S. A. is already working closely with other HLB members in the region and will form part of the federation of representative member firms in Costa Rica, which will make a substantial addition to our Central American and global coverage.

About HLB International

HLB International is a leading worldwide network of independent professional accounting firms and business advisers. Formed in 1969, HLB International services clients through its member firms in 150 countries, their 25,000 partners and staff in 700 offices worldwide. Member firms are well-established locally with many firms ranked among the top twelve nationally.

HLB International is a member of the Forum of Firms and focuses on quality and personal service, reinforced by regular quality assurance reviews of all member firms, an up-to-date ISA compliant international audit manual and membership of external professional bodies focused on quality issues.
