
HLB INTERNATIONAL APPOINTS NEW MEMBER IN ITALY

HLB International, one of the leading global accountancy networks with presence in 150 countries, continues its growth with the recent signing of a new member firm Analisi S.p.A., a top ten audit firm in Italy.

Analisi S.p.A. is based in the Emilia Romagna region, with an office in Rome. Established in 1991, the firm provides audit services to private companies, cooperatives, financial and public companies in the following sectors: industrial - both mechanical and technological, agriculture, financial, service industry. It also provides debt restructuring services, mainly performed for industrial companies, and forensic and litigation services.

Analisi S.p.A. Managing Partner Francesco Notari commented: "Joining HLB International's dynamic network will expand our networking opportunities across the global network and will enhance services to our clients as well as enabling us to share our expertise with fellow members".

Analisi S.p.A. is already working closely with HLB member firms in Italy as well as other HLB members in the region. This addition further strengthens HLB International's presence in Italy with 17 offices.

About HLB International

HLB International is a leading worldwide network of independent professional accounting firms and business advisers. Formed in 1969, HLB International services clients through its member firms in 150 countries, their 25,000 partners and staff in 700 offices worldwide. Member firms are well-established locally with many firms ranked among the top twelve nationally.

HLB International is a member of the Forum of Firms and focuses on quality and personal service, reinforced by regular quality assurance reviews of all member firms, an up-to-date ISA compliant international audit manual and membership of external professional bodies focused on quality issues.
