## HLB announces strategic partnership with DataSnipper to accelerate digital transformation

LONDON – HLB, the global network of independent advisory and accounting firms, is pleased to announce a strategic partnership with DataSnipper, a leading platform revolutionising work processes in the audit and finance industry.

DataSnipper is a cutting-edge platform that streamlines work processes, providing an Excel add-in solution to boost efficiency and quality. It will allow the HLB global community to leverage automation and standardisation for increased productivity in audit and finance procedures.

HLB's Affinity Partner Programme works to accelerate the network's digital transformation and growth. It supports HLB's strategic aims and enhances its proposition by developing deep, long-lasting relationships with software vendors, institutes & associations, and strategic partners.

Luuk Bijleveld, Head of EMEA Sales, said:

*Our partnership with HLB reflects a shared commitment to our clients' success. By seamlessly integrating a complementary pilot and professional services, we aim to elevate the HLB experience with DataSnipper, ensuring unparalleled value and strategic support. Our collaborative efforts have already yielded notable successes with HLB firms around the globe, exemplifying the transformative impact of our combined expertise. Looking ahead, our vision is to fortify this relationship, fostering innovation and delivering tailored solutions that empower HLB members to navigate an evolving business landscape.*

Amy Spillard, Head of Technology Partnerships, said,

*"The partnership between HLB and DataSnipper aligns with HLB's commitment to innovation and growth. We are excited to leverage DataSnipper's platform to enhance efficiency and quality in audit and finance procedures. Together, we can reshape the landscape of audit and finance procedures, providing HLB people with cutting-edge solutions to thrive in the future.*
