

THE GLOBAL ADVISORY
AND ACCOUNTING NETWORK

HLB INTERNATIONAL DEVELOPMENT ASSISTANCE SERVICES

Addressing challenges in public services and developmental improvements in the developing world requires innovative and agile solutions. These challenges are evolving in scale, complexity, and design, making it crucial to adapt to them effectively. By embracing innovation, we can tackle these challenges and create lasting impact.

Our expansive presence in over 150 countries ensures you have the tailored support you need, right where you need it. At HLB, we are passionately geared to professionally contribute in achieving the UN Sustainable Development Goals through quality seamless specialised assurance and advisory services to organisations working on initiatives leading to achieving social, economic, climate, energy, institutional, equality goals.

AREAS OF EXPERTISE

Our International Development Assistance (IDA) experts offer a wide range of expertise. From advisory services to support government transformation mandates from a people, process and technology standpoint to various assurance services across the project life-cycle. Areas of expertise include:

Design and Development

We support clients with research, conceptualisation, stakeholder engagement, definition of tangible goals and objectives, design of management structure, development of operational plan, financial budgeting, sourcing of funding, and identification of legal structure.

Implementation

We provide services to support project implementation, including, fund management, procurement, outsourcing of contracting and third-party management, project management, reporting and communications.

WHERE WE WORK

Our IDA experts operate across developing regions, including Africa, South Asia, Central Asia, Eastern Europe, South America, and the Middle East. They typically operate in countries where implementation project to meet UN Sustainable Development Goals are common. Our network of HLB IDA experts currently spreads across 30 countries and is every expanding.

WHO WE SERVE

Typically, our client mix is divided into the following four clusters:

1. Donor / Funding agencies - This includes multilateral organisations (such as World Bank, IFC, Asian Development Bank, African Development Bank, IMF etc.), as well as bilateral organisations (such as USAID, DFID, CIDA, European Union etc.)
2. International development contractors - Project / Program implementation groups
3. International and local Not-for-Profit organisations
4. Public sector - including government institutions and departments
