HLB announces 9% growth and maintains 8th position in global ranking

London – HLB, a global network of independent advisory and accounting firms, has achieved a 9% growth rate over the past year, boosting its total global revenue to \$5.96 billion. It has also retained its #8 position in the global rankings, highlighting its dedication to delivering excellence across all its service areas.

Looking back over 2024 through its [Global Annual Review](#), HLB saw the launch of its ambitious new strategy, *Innovative People, Brighter Futures*. This roadmap, designed to guide the organisation through to 2027, focuses on innovation, empowering individuals, and driving sustainable growth. With bold targets set for 2027, HLB aims to further strengthen its global footprint while ensuring inclusivity and collaboration remain at the heart of its operations.

Discussing HLB's success and future direction, Marco Donzelli, Global CEO of HLB, commented, *"The achievements of 2024 show strength of our global community. Through the dedication of our people and partners, we've reached significant milestones that position us as leaders in the global accounting, tax and advisory industries. Our new strategy underlines our commitment to empowering individuals, enabling innovation, and building a brighter future for all."*

Looking to the future, HLB's focus on sustainable growth forms the backbone of its long-term viability. By staying agile and deeply rooted in its core values, HLB is moving confidently towards continued growth, meaningful collaboration, and a sustained positive impact.

Bill Hagaman, HLB Global Chairman, remarked,

"2024 has been a year of incredible growth and transformation. Initiatives like the HLB Marketplace and our partnership with Hype Innovation are sharpening our capabilities and driving innovative solutions. Our people are at the core of everything we do, and we are proud to champion diversity and equity as central to our success. Expanding our ESG efforts and investing in future-focused strategies reflect our deep commitment to creating a better, more sustainable world."
