### **HLB welcomes Van Oers to its global community**

LONDON- HLB is pleased to welcome Van Oers, an independent Dutch accounting and advisory firm, to its global network of member firms. The addition of Van Oers further strengthens HLB's presence in the Netherlands and expands the network's ability to support clients with international ambitions through trusted local expertise.

Van Oers has more than 500 employees providing a broad range of services to clients across different industries. Van Oers primarily supports family-owned businesses, private equity-backed companies, start-ups and mature businesses with multinational activities. Its expertise includes tax advisory services and audit services, including support within the scope of group audits. Through its international activities, Van Oers regularly works with clients and partners across Western and Eastern Europe, the United Kingdom and Asia.

By joining HLB, Van Oers aims to strengthen its international collaboration and create new opportunities for both clients and employees.

Peter Hofwegen, Chairman of the Board of Van Oers, said:

"We are proud to become part of the HLB network. This international collaboration strengthens our ability to support our clients, while staying true to who we are as a firm. We look forward to working together with our HLB colleagues around the world and to contributing to this strong and inspiring global community."

Marco Donzelli, Global CEO of HLB, added:

"We are delighted to welcome Van Oers to the HLB community. Their strong entrepreneurial culture, commitment to quality and deep expertise in supporting privately owned and international businesses make them a valuable addition to our network. We look forward to collaborating with the

Van Oers team and creating new opportunities for our clients, people and member firms around the world.”

HLB continues to grow its global community by welcoming firms that share its values of collaboration, innovation and delivering exceptional client service. Van Oers’ expertise, market knowledge and client-focused approach will further enhance the strength and reach of the HLB network.
